Hi! Jesica Yap here. I am an Indonesian-born composer for the visual media, a music producer, a pianist and a teacher residing in Los Angeles, California. In 2019, I won my 2nd HMMA (Hollywood Music and Media Awards) for Best Original Short Film Score for a Foreign Language film. In 2018, she was nominated for a Jerry Goldsmith Award in the Best Ads category, and won her 1st HMMA for Original Commercial Advertisement Score and Original Short Film Score for Foreign Language. Six Feet Apart is a catchy love song, drawing inspiration from the current Coronavirus pandemic we are experiencing the world over. Six Feet Apart recently won Global Music Awards in lyrics/ songwriting and female vocalist bronze medal categories.
